

# Lubbock Housing Authority Section 8 Waiting List Lottery

## If I submitted a Section 8 lottery ticket in 2010 do I have to submit one this year?

1. **If you were not notified** by mail that your name was selected for the waiting list by October 31, 2011, **you must submit** a new ticket in November 2011.
2. **If you were notified** by mail that your name was selected for the waiting list, **you do not** have to submit a new ticket in November 2011.

## General Lottery Information

- LHA will accept lottery entry cards from November 1-30, 2011 during regular operating hours. This period is the open entry period. The purpose of receiving these entry cards is for the LHA to create a pool from which a Section 8 Waiting List lottery drawing will be conducted.
- Entering the lottery does not guarantee placement on the Section 8 Waiting List.
- The LHA will select sufficient applicants to augment the existing Section 8 Waiting List to an anticipated service number adequate for 12-18 months.
- The LHA will use a computerized random lottery selection process to establish the placement of the required number of households on the Section 8 Waiting List. The remainder of the current entry cards will remain active in the lottery pool through October 31, 2012.
- Lottery cards will have a number assigned and will be recorded in the lottery pool when received in the LHA Central Office.
- The computerized random selection process will be conducted and results will be posted at the LHA Central Office by December 12, 2011 and on our website, [www.lubbockha.org](http://www.lubbockha.org).
- Lottery entrants will be notified if their name is drawn and placed on the Section 8 Waiting List.
- If additional applicants are needed for the Section 8 Waiting List prior to October 30, 2012, they will be drawn from the current lottery pool.
- On October 31, 2011, the existing lottery pool will be purged and all unselected lottery cards will be discarded.
- All previous entrants who have not been notified that they have been selected for the Section 8 Waiting List must reapply during the next open application (November, 2011) period in order to be considered for placement on the waiting list during the 2011 calendar year.
- All entrants who have been placed on the Section 8 Waiting List will remain on the Section 8 Waiting List for the usual qualification process.
